RE: Buzzy Lane, Manteo, Dare County, NC

Dear Senator Basnight:

This letter is in response to the inquiry you made to the Department of Cultural Resources regarding the tenants on the Buzzy Lane property in Manteo. You expressed concerns about the duration of the tenants' leases and any future plans for the use of the property.

The Department has no plans to modify the existing use of this land and does not wish to displace the current tenants. We will continue to honor their month-to-month leases, however the Department will not agree to any assignments or other transfers of the leases held by the current tenants.

Please let me know if I can be of further assistance regarding this matter.

I remain, very truly yours,
